Energy Partners, Ltd. (the "Company") is unable to file timely a quarterly report on Form 10-Q for the quarter ended September 30, 2005.

The Company's principal executive offices are located in New Orleans, Louisiana within the Presidential Disaster Area resulting from Hurricane Katrina. Because of the extended displacement of the Company from its principal executive offices in the aftermaths of Hurricanes Katrina and Rita, additional time is needed to process the backlog of accounting data without sacrificing the quality of the disclosure controls and procedures in place over the Company's financial reporting.

The Company expects to complete all necessary work to process the backlog of accounting data and to file its Quarterly Report on Form 10-Q for the third quarter ended September 30, 2005 on or before November 14, 2005.
